

# ELIGIBLE?

**LET PARENTS FIND OUT FOR THEMSELVES.**

## SCHOOL / DISTRICT:

Eliminate hundreds of inbound phone calls/day and get higher accuracy, more satisfied/less frustrated parents.

## PARENTS:

No more waiting on hold, or worrying about misinformation. Get the answers online, 24/7.

## HOW IT WORKS:

### PROGRAM ADMINISTRATOR

Signs up your district or school(s) for BusWhere.

Enter a list of stops for each route into the BusWhere portal. This can be done stop by stop or by uploading a file.

Set up the eligibility rules for your area.

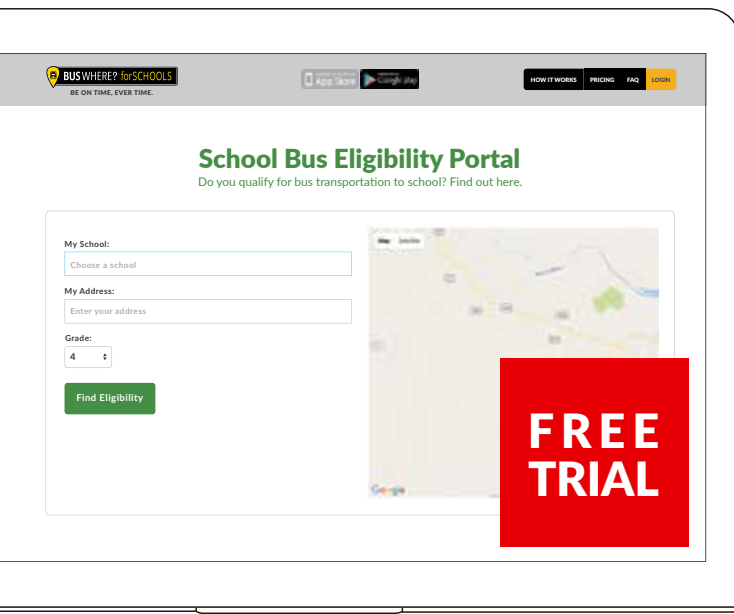

### PARENTS

Choose a school, home address, and child's age.

The site calculates whether they are far enough from the school to qualify for bus service.

If they DO qualify, the site will tell them their closest bus/route and typical pickup/dropoff times at those stops.

If they do NOT qualify, the site will show a walking map from their house to the school.
